

EXPERIENCE

Graphic Designer / Assistant, Diane Stilwell 2019 - Present

- Established Diane's visual brand, including logos, color palettes, and general style principles
- Designs all of Diane's teaching materials, including workbooks, PowerPoints, and handouts
- Fully redesigned Diane's website, including graphic design, copywriting, retouching photographs (colors, shadows, bokeh), generating color-coded calendars, and some HTML/CSS editing. Continually updates, maintains, and debugs the website
- Digitized and meticulously restored archival footage from Diane's past Hollywood and Broadway performances. Collected, digitized, and restored 50+ hours of footage from DVDs and VHS tapes; Restored dozens of commercials from high-definition scans of remarkably faded 16mm film; Designed a website to share collection with others (1 year project)
- Built and directed a 300+ slide keynote presentation given by Diane to 250 people, with live musical accompaniment
- Compiled and designed a leatherbound retrospective book cataloguing Diane's collection of an artist's book author's oeuvre, preceding its donation to a local museum
- Designed and formatted editions of two books for custom hardcover printing, including cover design with a gloss finish
- Digitally recreated the unique chapter flag for a national organization in Adobe Illustrator
- Composes all resumes and biographies for Diane for use in all programs, board positions, and public speaking
- Designs and distributes holiday cards and invitations
- Adapted the novella *The Turn of the Screw* into a radio play, with plans for production in Winter 2026 with my direction
- Curated a bespoke online narrative Minecraft birthday event
